Section B - Meetings and Communications

N4C News Bulletin

Because of the geographic size of N4C, the business of the Council and its communications are best handled through the mail. In an effort to keep all member clubs and personnel informed of current events, the *N4C News Bulletin* is published monthly, except for June and July. All officers and various chairpersons receive a complimentary copy. Each club receives one copy, which should, in turn, be copied and made available to its members. If you have an email address, you will receive the E-Bulletin as your complimentary copy.

The *N4C News Bulletin* contains news of special events, program aids, services, contest results, articles on nature and pictorial photography, projects of member clubs and individual members, and similar information. Please use the *N4C News Bulletin* to share your noteworthy events with the Council.

Individual N4C members are encouraged to subscribe to the *N4C News Bulletin*. Individual subscribers are the only means of off-setting the costs of publication. For information on individual subscriptions, contact the Bulletin's publisher.

Annual Convention

Each year one or more member clubs host the Annual N4C Convention. This is held over a weekend; beginning Friday evening and concluding Sunday afternoon. Programs are planned to interest all photographers, whether new or experienced. Outstanding speakers from various parts of the country offer illustrated presentations on a wide variety of topics.

During the convention, winning works from all monthly competitions are on display. At the Saturday evening banquet "Photographer of the Year" and the "Large and Small Clubs of the Year" Awards are announced. Individual photographers also receive their awards for their achievements in N4C during the previous year.

Handbook & Directory

The *N4C Handbook* and the *N4C Directory* offers a summary of facts and information necessary to the operation of N4C. It is published annually. Since it is the current publication, it is essential that all activity chairpeople at the local and Council levels become familiar with its contents, especially those sections that relate to inter-club activities.

Since personnel, judging clubs, club information and rules change from year-to-year, the current *Handbook* and *Directory* **MUST** be considered the official book of rules for the organization.

Two copies of the *Handbook* and *Directory* are distributed without charge to each member club as a part of the club's membership dues. N4C officers, directors, and various committee chairs receive a complimentary copy. Additional copies may be obtained from the handbook editor. The free copy of the *Handbook* and the *Directory* will be in the .PDF file format and will need the free Acrobat Reader Program to open the file to read and/or print. The Acrobat Reader Program can be obtained off the internet as a free download to your computer. The free copy of the *Handbook* and the *Directory* may be obtained through email or on a CD or at no charge for those that qualify for a free copy. Anyone can receive a free copy of the *Handbook* and the *Directory* by emailing the handbook editor and asking for the *Handbook* and the *Directory* to be emailed to them at no cost. If anyone would like to have the handbook on a CD or a printed copy you will need to contact the handbook editor for cost information.

Slide Circuits

These activities are sponsored for the benefit of individual camera club members. Yearly dues in the slide circuits are \$2.00 for each circuit. Postage from one member to another is paid by the participant.

Each circuit consists of up to 15 members, with one member volunteering as secretary. Each circuit secretary is responsible for the organization of their particular circuit. The circuit is routed to each member for a specific period of time, during which the member makes comments on the work and scores the work. At the end of each round the member enters new work for the next round. All work is then sent to the next name on the roster. When all participants have had a chance to make

comments and score the work, it is returned to the secretary and a new cycle is begun. With luck and cooperation, the circuit should make two or three cycles per year.

Where else can one buy a critique from 10 to 15 friendly experts for a few dollars a year? This is one of the greatest educational activities sponsored by N4C. Every N4C member should belong to at least one circuit. For information, please contact the circuit chairs listed under Photographic Circuits in this Directory.

Parliamentarian Aide

The Aide's duties will be to interpret the contest rules and act as a mediator when questions arise. The aide will also make changes in the rules or add new rules that would require the approval of the Board of Directors. The aide could also be called upon to interpret the By-Laws and suggest changes which would be subject to the approval of the Board and general membership.

Red N4C Jacket and Shoulder Patches

The red jacket has been adopted as the identifying garb of N4C'ers. The most popular style has been a red nylon windbreaker. N4C shoulder patches are available from the N4C Supply Officer. These are attached to the left shoulder of the red jacket.

Springbook

Each Spring, the last Sunday in April, a mini-convention is held at Springbrook State Park, near Guthrie Center, IA. It begins on Friday afternoon and concludes following Sunday lunch. Excellent programs are scheduled, interspersed with N4C business meetings, and wonderful food. Cost is minimal.

It is a good place to become better acquainted with other photographers from the N4C region in a beautiful natural setting.

Friends of N4C

Contributing Friends will receive a certificate titled: "Friends of N4C" dated for the current year. A certificate is good only the year of donation. Contributors will receive a complimentary N4C Bulletin and their names will be published periodically in the N4C Bulletin.

Directives

Directives are statements agreed upon by the Board of Directors as those guidelines, which shall govern certain Council operations. All have received a majority vote of the Executive Board.

Concerning Certain Financial Operations

1. The accounting period for the Council will be the calendar year beginning on August 1 and ending July 31. The N4C News Bulletin will carry a complete statement of the year's fiscal activity. Copies shall be provided all voting members of the Board.
2. In addition to the annual statement mentioned above, an interim statement shall be provided to the Board of Directors at each Annual Convention.
3. Account procedures, in addition to those covered by the By-Laws, shall be established only with the approval of the Board of Directors. Likewise, changes and modifications in basic procedures may not be made without the approval of a majority of the Board.
4. All member clubs will receive notice of dues renewal on or about September 1 of each year. If, after sixty (60) days or by January 1, dues have not been received, the Treasurer shall send a second reminder; this time making sure the message is received by either the treasurer, president, or N4C contact of said club. This must be accomplished by certified mail. If the club has not responded with dues within an additional thirty (30) days, by February 1, the Treasurer will notify the First Vice-President, whose duty it will be to write the delinquent club, notifying them that their affiliation with N4C has been terminated.
5. Clubs which do not respond to the established procedure for remitting dues may not carry forward to the annual contests any points earned during the delinquent period.
6. It shall be the practice of the Treasurer to send to all Officers, Directors, and standing committee Chairs notice of required income and expense report.
 - A. prior to the interim statement, and
 - B. on or about August 30 for the annual closing statement

Each Officer will submit a full accounting of his or her expenses with bills or copies of statements attached whenever possible. Any Officer having charge of sub-activities shall secure from the Chair of those activities the necessary information so as to submit a report to the Treasurer. Directors will secure the necessary information from chairpersons of activities under their direction and, after consolidation (if necessary or logical), report directly to the Treasurer.

7. It shall be the practice to provide a complete convention package for the current N4C President and spouse; including registration, meals, and lodging. These expenses shall be considered a general convention expense to be accounted for before the division of any profits with the host club.

8. The Treasurer shall have the authority to spend or reimburse up to an amount of \$25.00 without special approval. For larger sums, the Treasurer should seek the approval of the President. If the President has questions regarding the expenditure, they will then do one or both of the following:
 - A. check with the individual requesting the expenditure to determine more clearly the details, or
 - B. correspond with the Chair of the Finance Committee for guidance.
9. This directive is to provide guidelines for N4C member clubs or individual N4C members in good standing to sponsor special awards, medals, or plaques in honor of an event, individual, or contest, in addition to, but not in place of, current N4C awards and honors. All proposed awards must be approved in advance by a majority of the N4C Board of Directors prior to being announced or presented. Also, all awards must meet the following guidelines:

All rules and guidelines concerning present N4C awards, medals, service awards and Founders' Awards and the status of these awards shall remain unchanged.

All special awards shall be financed and provided by the sponsors with no obligation on the part of the Council.

All members of N4C in good standing will be eligible to receive these awards.

The award shall be a certificate, plaque, medal, or trophy, or any other consideration which manifests distinctive quality and inspires pride of ownership and which reflects credit to the sponsor and the recipient.

A trophy should be of a size to provide for easy handling, presentation, by the sponsor.

The title of an award bearing the name of the sponsor or of a person living or deceased should be discouraged. The award should have a title such as "Best Nature Print" or "Pictorial Slide Award" and presented "In the Name of _____" and/or "Donated by _____." In this manner, if the original sponsor defaults, then a sponsor may volunteer and continuity of the award could be carried on.

The recipients of any such special award would be determined by a panel composed of the five (5) immediate Past Presidents of the Council. The most senior Past President would chair the committee. Proposals for such awards would be directed to the Chair of this committee. Any N4C member or member club in good standing may propose an individual N4C member as a recipient of one of these awards.

In the case of an award for photographic achievement in a specific category, the award will be determined by the appropriate judges of the year-end contest.

All such special awards will be presented at the Annual Convention after all regular N4C medals and awards are presented.

 10. Judging clubs may not enter the competition being judged by their club.
- 11. Maximum Number of Entries:**
- a. **Prints:** The maximum number of **prints** which may be submitted by a small club is eight (8), and sixteen (16) by a large club in any one print category; one (1) entry per member. See the exception allowing [double entries](#) in the "[Judging Club Rules](#)" Section. A small club is one with 29 or fewer members. Large club is one with 30 or more members. See the "[Club Codes](#)" list later in this Section. Membership numbers are based on the figures that appear in the current *N4C Directory*.
 - b. **Slides:** The maximum number 2 x 2 slides which may be submitted by any club is eight (8); one (1) entry per member. See the exception allowing [double entries](#) in the "[Judging Club Rules](#)" Section.
 - c. **Digital Images:** The maximum number of digital images which may be submitted by any club is eight (8) in any one category; one (1) entry per member. See the exception allowing [double entries](#) in the "[Judging Club Rules](#)" Section.
 - d. **Photo Essay:** There is no club limit, but only one (1) entry per individual.
12. A person belonging to **more than one (1) N4C club MUST** consistently enter from the same club throughout the contest year.
 13. For Prints and Slides, the competing club must complete the N4C Official Entry Blank with the maker's complete name, Member Number, and work title (include the location in the title for Travel entries). Entries are to be numbered and the numbers should correspond to those shown on the N4C Official Entry Blank. Failure to complete these forms properly and legibly denies the maker his or her proper award points. Difficulties arise when one month the name is recorded as R. Smith, the second month Robert Smith, and the third month Rhonda Smith appears from the same club. Please take these responsibilities seriously to assure proper credit.

Digital Image entries do NOT use the Official Entry Blank. See "[Rules for all Categories of Digital Images](#)".
 14. Entries may be submitted more than once, provided the entry has not been awarded a 1st, 2nd, 3rd, or HM award in a monthly competition in the same year or later years, in the same or any other category. An entry that has received such an award may not be entered again in any inter-club N4C contest. Also see Rule #3 in the [Statement of Ethics](#) section for some exceptions. Merit awards are eligible for re-submission.
 15. It is the responsibility of the sending club to pack entries in a type of container, which can be used for the return of the entries following the contest.
 16. The entering club must provide and enclose postage STAMPS for the return of entries and forms. Post Offices do not accept previously dated metered mail postage stickers. Do NOT use media or library rate for returns since many Post Offices will not allow those rates. Appropriate labels, envelopes, packaging, etc. must be included.
 17. Entries must reach the judging club on or before the 15th of the month in which the contest is held. Make every effort to email Digital Images by the 13th to allow time for an email confirming that they were received. Digital Images absolutely

must be emailed before 5:00p.m. on the 15th. Judging is to be performed before the 25th of the month with submissions immediately returned to the entering club. The returned containers/envelopes are to be **postmarked by the 26th of the month.**

18. Address all questions regarding N4C contests to the appropriate N4C Contest Chair as listed in the current *N4C Directory*.

Judging Club Rules

19. Entries must reach the judging club on or before the 15th of the month in which the contest is held (Digital Image entries by 5:00p.m. on the 15th). Judging is to be performed before the 25th of the month with submissions immediately returned to the entering club. The returned containers/envelopes are to be postmarked by the 26th of the month. For Digital Image Contests, the judging club recipient must confirm by return email, to the sender, the number of entries received.
20. It shall be the responsibility of the Chair of the Judging Committee to review with the committee these official procedures and general rules and those special rules, which apply to the particular contest being judged. Only entries fitting the category and satisfying all contest rules will be eligible for an award. If the judges unanimously agree that the entry does not satisfy the rules, it will be given the minimum number of points with an explanation in the comments area of the entry form. If a winner is found to violate the rules after the judging is completed, it will not be eligible for N4C Annual Competition at the following N4C Convention; and points it received toward Photographer of the Year and Club of the Year will be withdrawn.

Member clubs should choose judges who are working in the area of photography in which they will judge. Judges who have an aversion to certain subject matter or techniques should not be chosen. A good judge should be able to analyze a print, image, or slide from the standpoint of composition as well as technical quality. If member clubs do not have enough qualified judges from within their local membership list, then they should go outside of the club. Good judges can be developed from within the club, but this experience should be obtained prior to judging an N4C competition. A club judge may be combined with a local artist and a commercial or professional photographer to create a well-balanced judging team. The Chair of the Judging Committee shall not serve as a judge or jurist.

21. Judging and points will be awarded on the basis of technique, composition, and interest.

EXCEPTION: Journalism Photography, where special rules apply.

Technique: Focus, lighting, color rendition, exposure, print quality.

Composition: Arrangement of all elements within the picture area so the subject matter is presented as a harmonious, well-balanced photograph.

Interest: Originality, imagination, interpretation, subject, impact, mood, humor, etc.

Three (3) judges should be used. Each judge will score each of the following categories **from one (1) to five (5) points:** Technique, Composition, and Interest. This system permits a **range of three (3) to 15 points per judge** with a **total range of nine (9) to 45 points per entry.**

22. The Chair of the Judging Committee shall not serve as a judge or jurist.
23. Entries will be judged on a point system. The jury will consist of three (3) judges, each of whom will score the work between one (1) to five (5) points in each of the three (3) categories of technique, composition, and interest. This method permits a minimum of nine (9) points and a maximum of 45 points per entry. **EXCEPTION:** the Journalism Photography category, where each judge will assign a single score between two (2) to five (5) based on personal journalism experience and Special Journalism Rules covering the subject panel.

The jury may select the top awards strictly on the basis of points earned, or the jury may review the top scoring photographs in a second round of judging. Winners may be selected at this time by a discussion of the merits of the photographs under consideration. This process is an option available to each individual jury panel.

24. In addition to recording the points for each entry, the judging club jury is encouraged to make constructive comments on all entries on the N4C Official Entry Blank. Space is provided for emphasizing the good and noting areas of improvement for the photograph. Valid, useful and helpful comments are encouraged.

25. Awards:

- a. Ribbons **MUST be awarded** to First, Second, and Third Place.
- b. Judges **may** award three (3) Honorable Mention ribbons for categories with 60 or less entries, and an additional HM award for each increment of 10 entries over 60.
- c. Merit awards will be issued to the remaining top 25% of the entries.

There shall not be any tie positions! The judging club will have to break any ties.

First, Second, Third, Honorable Mentions and merit awards are to be listed on the N4C Official Entry Blank along with constructive comments made by the judges.

26. N4C Print Stickers will be applied to the winning prints designating First, Second, Third and the Honorable Mentions. The month and year of the competitions will be recorded on these stickers.
27. The Chair of the Judging Committee shall submit a summary report of the contest results immediately after the judging date using the N4C Universal Monthly Inter-Club Contest Reporting Form provided by the Council and the Contest Chair. Include the winners' complete name, Member Number, work title and full name of the club in a legible form.

This is a no-carbon required form (3-part form) to be completed by the Judging Committee Chair and mailed as follows: original/white copy goes to the N4C Contest Recording Chair, yellow copy goes to the N4C Bulletin Editor; and pink copy goes to the Contest Chair. The Council suggests the Chair of the Judging Committee also make a copy of this report for the Judging Club records. The Digital judging software includes a Judges Report that is to be printed and mailed to these three individuals.

Remember the N4C Official Entry Blank when completed with the Judges scores, total scores, constructive comments and awards will be mailed back to the entering club with their entries so the judging club will have no other record of the contest results. Merit awards need not be reported on the N4C Universal Monthly Inter-Club Contest Reporting Form but a complete list of the competing clubs must be reported.

Digital judging software is used for all Digital Image contests and is optional for print and slide contests. It generates the equivalent of a conventional N4C Official Entry Form that is used to report scores, judges' comments and awards to the entering club for giving to entrants. These results may be emailed to entering clubs. Ribbon awards are sent by postal mail.

28. A different member club will handle judging each month. Judging clubs may not enter the competition being judged by their club.
29. **Double Entries:** Judging Clubs may submit double entries (no more than two entries per member) in the monthly contest immediately following their service as a judging club. For example, a club judging Color Prints in January may not enter in that category so they could submit double entries in Color Prints in February, except for the May judging where the club would enter in April to keep the scoring in the same contest year. Double entries do not mean the club may enter double entries in any other categories, just the category they served as a judging club. Please note the reason for double entries on the Official N4C Entry Blank or email when the entries are sent to the judging club.
30. Accidental double entries are not permitted, even though it is an accident. If one individual enters work in the same category through two separate clubs in the same month, the judging club must declare the second entry ineligible. If one club accidentally includes two (2) entries by one photographer, the judging clubs must declare one (1) entry ineligible.
31. It is the responsibility of the judging club to handle all entries with care and to return the entries in the same condition as they were received. Neither sending club nor judging club can be responsible for damage en route. Please pack entries carefully.
32. Except for the remounting of an occasional broken slide, the judging club need not concern itself with dirty slides, prints, etc. That is the duty of the sender.
33. The N4C Contest Recording Chair (Reporting to the Second Vice President) keeps the master list of winning makers, titles, awards, and points for the year.
34. Digital Image winner files will be retained by the N4C Webmaster as historical archives and make them available to resolve possible disputes over duplicate entries.
35. At the end of the contest season all photographs awarded First, Second, Third, or Honorable Mention will be eligible for the Council annual competition. These must be the same prints, slides or images that were entered in the monthly

 - b. CE028, = entrant's personal N4C Member Number. : (CE is the “[Club Code](#)” designation of the entrant's camera club – See the section on “[N4C Member Numbers](#)” 028, = entrant's personal ID Number within their club assigned by the entrant's camera club.  - Make sure to get a return confirmation that the entries were received by the judging club.

Requirements for Digital Image Contest Judging Clubs

The N4C Digital Image Contests will require preparation by the judging club, primarily in learning the electronic software to record entries and the results of judging. The use of electronic record keeping will, however, reduce the overall effort to keep records when compared to other N4C contests. The N4C Digital Image Contest Chair will give the judging clubs an Excel spreadsheet form to automate many of the record keeping tasks (easily utilizing preprogrammed macro buttons on the form). Also a Word document uses “Mail Merge” to summarize the results from the spreadsheet for sending to the entrants. The judging club must complete a successful test of the judging software at least one month prior to the contest. The software system is also available to clubs for use in local club contests. Contact the N4C Digital Contest Chair for further information about the software applications.

1. Software Requirements:

- Image Viewing Software
- Microsoft Excel, spreadsheet software (version 2000 or later recommended) or 100% compatible.
- Microsoft Word, word processing software.
- Utility to generate a text file listing of image filenames in a directory or folder.
- Email service capable of receiving image files, and communicating contest results

2. Hardware Requirements:

- Digital Projector (resolution should be XGA – native 1024x768 pixels or better) & Screen
- Laptop Computers - two are strongly recommended for efficiency; one for image projection, and another for tabulating results on a spreadsheet. Both Windows PC and Macintosh are supported.

3. Image Viewing Software Requirements:

Digital Images are to be judged by projection on a screen (not on a computer monitor). Computer software used to display the images will meet the following requirements:

- a. Be compatible with a digital projector
- b. Show images full screen within the bounds of 1024x768.
- c. Black background for areas not filled by the image
- d. No visible software window borders, no buttons, no cursors, no filenames visible while judging a given entry. In other words only the image on a black background will be on the screen.
- e. No Photographer name or club name shall be displayed or communicated to the judges during the judging.
- f. Capability to select individual images for viewing (example - to see several images to break tied scores)
- g. The quality of the image (color and sharpness) on the projection screen should be very close to its appearance on a good computer screen.

The entries for a contest class will all be in a single directory or folder to be sorted in alphanumeric sequence by filename.

When the number of entries in any division of the annual competition exceeds 60, an additional Honorable Mention will be given for each increment of 10 entries over 60. An award shall be furnished for the Large and Small Club of the Year and for the Photographer of the Year. No other contest awards shall be made. Awards shall be furnished by the convention host club, but shall be paid from the N4C treasury. Awards shall be properly engraved with the name of the winner.
10. All winning digital images and slides from the current competition season must be shown as part of the Annual Convention program. The host club must also show the top three (3) Photo Essays. All winning prints from the current competition season must be displayed at the Annual Convention. Convention registrants may dispense with any or all showings by a simple majority vote.
11. The presentation of the awards shall be done by the N4C President with the assistance of the First Vice-President. The awards will be presented at the banquet. The Contest Committee will furnish the N4C President with a list of all of the winners in all divisions of competition to be used during the award ceremony. A copy of the list will be given to the Editor of the *N4C News Bulletin* for subsequent publication.
12. All contest material shall be returned to the participating clubs by the Contest Committee as soon as possible following the Convention, including such awards and/or trophies not claimed at the banquet. Contest material may be claimed by club members attending the Convention **immediately after adjournment** unless the host club makes other arrangements for promptly returning the entries.

N4C Member Numbers

Member Number assignment is the responsibility of each Club's N4C Contact. A system of Member Numbers simplifies and reduces errors in identifying and tracking contest entries and points. Member Numbers must be used for all contest entries as a concise and consistent way of identifying the camera club and entrant. The judges may see image filenames and this coded number prevents recognition of entrants and clubs by name.

Member Number Format – Example: CE028

The Member Number will identify the N4C club as well as the individual club member.

- CE = the [Club Code](#) of the entrant's camera club – See [Club Codes](#) below.
- 028 = entrant's ID Number assigned sequentially by the entrant's camera club.

Master Member Number List

The Club N4C Contact will maintain their club list of Member Number assignments that will include Member Name and Member First & Last Name.

The Club N4C Contact will Email (preferably on a spreadsheet form to be supplied by N4C) all revisions of Member Number assignments to the Ken Johnson web@n4c.us who will maintain the Master Member Number List. Member number assignments will be permanent within a club – not changing from year to year. Inactive numbers are not to be reassigned to another member. Members belonging to more than one club will have different numbers in each club. A member must make all N4C contest entries from the same club throughout the contest year.

Definitions

The following subject category definitions are presented to persons entering the monthly contests so that all entries may be judged fairly and equally. To some extent, their interpretation is subjective and all judges have some personal biases. It is our intent to minimize these differences. These definitions are as clear and precise as we are able to state them, though it is not possible to cover all eventualities and answer all questions.

Generally, those entries that conform most closely to the subject definitions have the greatest chance of success in the contests.

What is Pictorial Photography?

In pictorial photography we are concerned with the artistic quality of the presentation of the subject rather than with the subject itself. Literally, all subjects qualify, but since “Interest” accounts for one-third of the score, subjects that catch the viewer’s eye will have an advantage. The judges will be seeking answers to the question, “Did the photographer simply record the subject, or did he/she through the photographic process enhance the viewer’s interest in the subject?” Pictorialism may be accomplished by meticulous photographic technique, proper presentation, careful composition, or most likely all of these factors.

What is Nature Photography?

- No photograph is worth the distress or injury to any wild creature.
- Nature photography is simply the recording of our natural world by some photographic means. Included are all branches of nature except Archeology and Anthropology.
- The hand of man shall not be present in any nature entry except where wild birds or animals have invaded mans world such as fence posts and other man made objects freely adapted for use by wild creatures.
- Banding or tagging on nature subjects is acceptable. Photographs at bird feeders are not acceptable if any part of a man made feeder is shown in the photograph.
- Photographs taken in zoos, animal farms or game farms are acceptable as long as the setting remains natural and the hand of man is not visible.
- Cultivated plants, domestic animals and pets are not acceptable and should be entered in other categories.

What is Journalism Photography?

Journalism Photography or Photojournalism means simply the telling of a story by the use of a picture, or a sequence of related separate pictures arranged for presentation as a single entry. The type of photograph that one sees in the newspaper or magazines that depicts some event or activity is what is meant. The caption is important, but the best journalistic photographs tell their own stories and don't always need a caption. A good picture is, after all, worth more than a thousand words. An element of human interest is important and virtually essential for pictures to succeed in competition. Interest is paramount, but good composition and technique will often make the difference that decides the winners.

The only digital editing that can be allowed must fit with the N4C definition for acceptable Journalism or Nature images (see page G-1). In the interest of credibility, photographs which misrepresent the truth, such as manipulation to alter the subject matter, or situations which are set up for the purpose of photography, are unacceptable. No elements may be moved, cloned, added, deleted, rearranged, combined or changed in any way that affects the integrity of the image content. No manipulation or modification is permitted except resizing, cropping, selective lightening or darkening, and restoration of original color of the scene. No special effect filters can be added or applied, and any sharpening must appear natural.

What is Travel Photography?

Travel implies going to some place other than one's customary environment, and travel photography suggests the photographic depiction of that new environment or the means used to get there. There is no definition of how far away that environment must be to qualify as "travel" or how different that new environment must be. However, the judges will generally award prizes to those photographs that depict more exotic and unfamiliar places, even though such places are "home" to someone. Good photographic technique and particularly the ability to convey the feeling and flavor of the place visited will help you be a winner. Try to emphasize the character that makes the place unique from other places. Be sure to state the name of the locale where the picture was made in the title of the digital image, slide, or print.

What is Creative Photography?

Creative photography is an opportunity for those who dare to explore the experimental and creative forms of photographic expression. These will include, but not be limited to derived images, ultra-high contrast, black light, bas-relief, solarization, multi-images, trick lenses and filters, and other ways to alter the image to produce a new abstract effect. Just about anything goes. The important thing is the result, not the means to create it. This area of photography bridges between photographic realism and creative art. It is very difficult to judge and there are literally no rules to follow. Generally concentration on form and color rather than detail in the image will help you succeed.

N4C Handbook & N4C Directory

Get yours from Mary Jane Charlton,

uff_da@heartofiowa.net,

641-488-2798, PO Box 253, Albion, IA 50005.

Familiarize yourself with the N4C Handbook & N4C Directory. They are two separate documents.

HANDBOOK The Handbook contains such things as Contest Rules, Officer Duties, Constitution & By-Laws – those topics that do not change and do not contain personal information.

DIRECTORY The Directory contains such things as Contest Judging Schedule, Officer Contact Information, and individual Club Officers and contact information – those topics that change from year to year and contain personal information. Distribution of the N4C Directory is restricted to N4C members only.

It is critical that you follow the contest rules to avoid disqualification of your N4C contest entries. The rules are to ensure that the contests are fair to all entrants, that they get proper credit for awards, and most important that work is returned to the correct club. The club N4C Representative is to check all entries for rules compliance before mailing them for judging.

2012-2013 N4C Handbook & N4C Directory

The electronic edition of the Handbook & Directory is in Adobe "pdf" format and requires Adobe Reader to view it.

This is a free download from Adobe:

<http://www.adobe.com/products/reader.html>

If you are already using it to read the N4C E-Bulletin, you have what you need.

Tips on using the N4C E-Handbook & N4C E-Directory

http://help.adobe.com/en_US/reader/using/reader_X_help.pdf

Viewing, Navigating. When they are opened in Adobe Reader, the full page view of the cover should appear in the "document pane". Click the 'Bookmark' icon along the left edge for the Table of Contents bookmarks. Click on any of the bookmarks to go to the selected section. The "+" and "-" before the bookmarks will expand/collapse the levels listed in each section. In "Section A – Table of Contents", click on any line and go to that selection. Colored text within the document indicates a link to another paragraph or section. Clicking on the colored text will take you to the related section. At the top of the document pane, is a 'Tool Bar'. Right-click in a blank area of this bar for options to customize it with more tools. Select 'Page Navigation' and then 'Show All Navigation Tools' (the Previous and Next tools will be handy). Also 'Edit' and then 'Find' (letting you search for words). Also 'Select & Zoom' then 'Hand Tool' and 'Select Tool' (Use the 'Select Tool' to copy & paste text to another document; the 'Hand Tool' to click and drag pages up & down.) .

Searching. You can search for words within the Handbook. Click on the magnifying glass – 'Find text Tool' small box opens in the upper right corner. For example, enter the words 'club code' in the box to search for what the Handbook has to say about 'Club Code' or 'Club Codes'. Click the 'Next' arrows until you find the occurrence of interest. Likewise you can find a person's name in the Directory.

Printing. You only need to print those pages used while away from your computer. Unless you are an N4C Representative, you might only need to print the rules (Handbook, Section F – 13 pages). To print only these pages, look at the page numbers in the tool bar at the top of the document pane. Make a note that Section F is page 23 through 35. Now use the drop down menu at the top of the window: File>Print. When your "Print" window opens, locate the "Print Range" area and fill in the Pages from 23-35.

Sending E-mail to another member. With your mail program running, click on a chosen Email address in the Directory. This should create a blank Email message, already addressed to the person.

Revisions. The format of this *N4C Handbook and Directory* is set up so that each section can be revised and issued separately. The revision date of each section is in the footer of each page. The last Section of each document provides a "Revision Summary" with the latest revision date of the whole Handbook and the revision date of each section. Check the *N4C News Bulletin*, or the [N4C Web Site](#) for the current revision at <http://n4c.us>. The current version of the 2012-2013 *N4C Handbook* is "N4C-Hdbk-1213A" dated September 1, 2012, and the *N4C Directory* is "N4C-Dir-1213A" dated September 1, 2012.

Advanced. There are many more features in Adobe Reader which are described in the Adobe Reader Help document (a "pdf" document) which may be downloaded from the Adobe Website: http://help.adobe.com/en_US/reader/using/reader_X_help.pdf. For example, you can use the "Select Text" tool to copy and paste text from the Handbook to another document. Holding down the "Ctrl" key confines the selection to a column. This might help you make mailing labels.

Genealogical Codicil To My Last Will And Testament

To my spouse, children, guardian, administrator and/or executor:

Upon my demise, it is requested that you **DO NOT** dispose of any or all of my genealogical records, both those prepared personally by me and those records prepared by others which may be in my possession, including but not limited to books, files, notebooks, or computer programs, for a period of two years. During this time period, please attempt to identify one or more persons who would be willing to take custody of the said materials and the responsibility of maintaining and continuing the family histories. (If you know whom within your family or friends are likely candidates to accept these materials, please add the following at the point: "I suggest that the persons contact regarding the assumption of the custody of these items include but not be limited to," and then list the names of those individuals at this point, with their addresses and telephone numbers if known.)

In the event you do not find anyone to accept these materials, please contact the various genealogical organizations that I have been a member of, and determine if they will accept some parts or all of my genealogical materials. (List organizations, addresses, phone numbers, and contact persons if available, as well as state/national contact information, addresses, and phone numbers.)

Please remember that my genealogical endeavors consumed a great deal of time, travel, and money. Therefore, it is my desire that the products of these endeavors be allowed to continue in a manner that will make them available to others in the future.
